NOTES

IMPORTANT NOTE REGARDING PRE-LAUNCH INFORMATION

This brochure is made available during the pre-launch phase of the New CUPRA Leon, prior to arrival of Australian vehicles. As such, the content of this brochure is subject to change / final confirmation. Please re-confirm any areas of importance with your CUPRA Agent.

[3] The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

[5] Fuel consumption figures according to Australia Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, and accessories fitted, will in practice in the real-world lead to figures, which generally differ, from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[7] Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

[11] Safety / Driver assist technologies are designed to assist the driver but should not be used as a substitute for safe driving practices.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While CUPRA makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised CUPRA Partner for the latest information. Due to limitations of the reproduction process the colours displayed in this brochure may vary slightly from the actual paint and material colour.
