IMPORTANT NOTE REGARDING PRE-LAUNCH INFORMATION

This brochure is made available during the pre-launch phase of the New CUPRA Leon, prior to arrival of Australian vehicles. As such, the content of this brochure is subject to change / final confirmation. Please re-confirm any areas of importance with your CUPRA Agent.

[3] The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

[5] Fuel consumption figures according to Australia Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, and accessories fitted, will in practice in the real-world lead to figures, which generally differ, from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[6] Electric vehicle range and energy consumption has been calculated in compliance with the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). The stated electric vehicle range is for the purposes of comparison amongst vehicles tested under the same technical procedures only. The real range for your vehicle will vary according to a number of different factors which include, weather conditions, vehicle load, battery age and condition, optional equipment, the use of peripheral energy consumption systems such as air conditioning as well as your driving style.

[7] Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

[11] Safety / Driver assist technologies are designed to assist the driver but should not be used as a substitute for safe driving practices.

CUPRA is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice.
