DEFY ORDINARY

Rebellion is not conformity; it's the art of defying the ordinary.

Welcome to the home of the audacious where the norm is challenged and the extraordinary is embraced. The CUPRA Tavascan experience isn't just about acquiring a car, it's about adopting a way of living ignited by electric passion. We invite you to join this evolution where motion is the experience and driving immersion is redefined.

The CUPRA Tavascan set out to be a rebel amongst the ordinary. If you resonate with rebellion, then you're part of our tribe.

Vamos!

BEAUTY

In a world where being a dreamer means being one of the few, beauty finds its true meaning. There you will find us thriving, because we know that there is no result without process, no reward without sacrifice. We are the architects of change, rearranging the pieces, forging new paths, pursuing excellence and revealing a greater truth. We have produced a masterpiece of effort that exhibits pure, authentic beauty: our CUPRA Tavascan.

EXTERIOR STYLING

CAPTIVATING FRONT LIGHTS

The New CUPRA Tavascan front bumper heralds an exciting era of design, marrying illumination and identity, with the CUPRA logo shining forth, signaling a visually captivating arrival.

COAST-TO-COAST ILLUMINATION

Flow from end to end with the Tavascan coast-to-coast rear lighting, a continuous gleam that weaves elegance with a glowing central CUPRA logo.

INTERIOR STYLING

AMBIENT CABIN LIGHTS

Inside the CUPRA Tavascan, ambient lighting sets a harmonious and technologically savvy scene, strategically placed to cultivate an immersive driving environment.

OPTIMISED CENTRAL SPINE

The CUPRA Tavascan interior is a masterpiece of design, with an elegant central spine and copper touches. This ensures an intuitive control and a driving experience that's both powerful and confident.

TECHNOLOGY

NEW GENERATION INFOTAINMENT

The New CUPRA Tavascan is the first model to incorporate our larger 15" touchscreen and new generation interface, seamlessly controlling audio, ambient lighting, climate and phone connections.

MATRIX LED CLARITY

Illuminate your path with the CUPRA Tavascan VZ's cascading Matrix high beam lighting, an intelligent system that dispels the shadows and ensures your journey is bathed in clarity.

TECHNOLOGY

SMARTLIGHT

Elegant clarity is provided by the available Smartlight technology, providing illuminated visual cues across the dash for charging, voice control and various other alerts. Fitted to VZ and Endurance with optional Interior Package.

HEATED & VENTILATED FRONT SEATS

Embrace the comfort of heated and ventilated front seats with three levels of heating or cooling to keep you refreshed on every journey.

Front seat heaters are fitted to VZ and Endurance with optional Interior Package, while front seat ventilation is fitted to VZ with optional Extreme Package.

SAFETY

TRAVEL ASSIST

Tavascan's travel assist [11] redefines your journey, integrating active cruise control and lane-centring functions for an easier highway experience and improved overall safety.

INNOVATION

ADVANCED ALARM SYSTEM

For your peace of mind the Tavascan's alarm system stands guard with a suite of protective features, including interior monitoring, impact sensors, and a high-intensity siren.

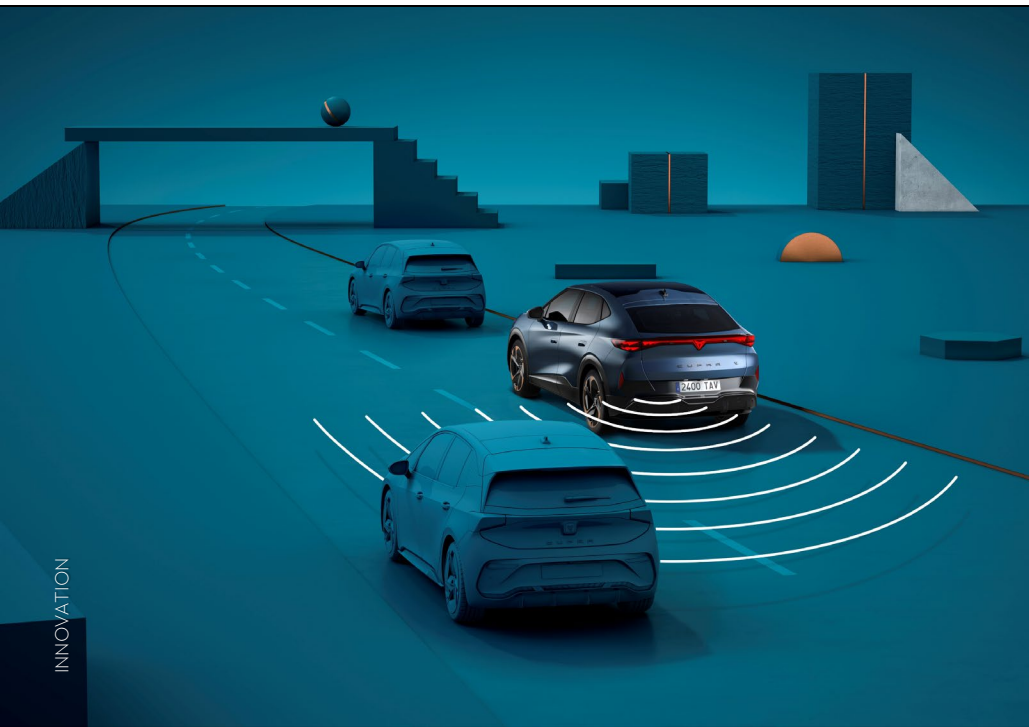

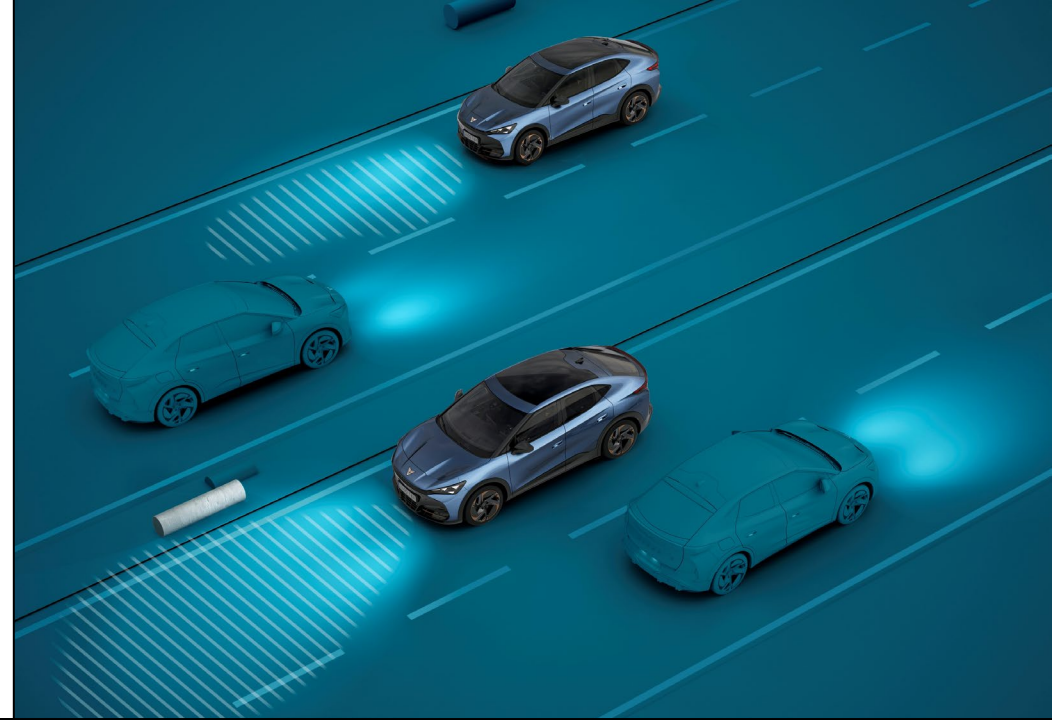

Overseas VZ model shown

SAFETY

SIDE ASSIST

When changing lanes, side assist [11] monitors traffic in your blind spots to alert you of any potential hazards. Similar sensors will warn you of fast approaching vehicles when alighting from the vehicle.

LIGHT ASSIST

To avoid glaring oncoming drivers, Tavascan is equipped with our light assist [11] automatic high beam system that pro-actively dips the high beams in the presence of oncoming vehicles.

ON EV

ON EV from CUPRA offers a range of solutions to make your CUPRA EV ownership experience a breeze, while giving you flexibility and confidence during your everyday electric driving.

BATTERY HEALTH

Our EV batteries are provided with an 8-year/160,000km warranty across our BEV and PHEV range for your peace of mind. The warranty also covers battery health should the usable capacity fall below 70%.

SIMPLIFIED CHARGING

Getting your home EV-ready doesn't need to be complicated. Our charging partner JET Charge can provide and install your home charger, and there is also the option to bundle the expense into your CUPRA Finance plan for added simplicity.

ENHANCED EV OWNERSHIP

We're providing easier access to a novated lease through our network of Agents, which could save you thousands. With a single, regular payment that includes all your car-related expenses, we're making novated leasing simple and fuss-free. Take advantage of the Government Discount for eligible BEVs - meaning that every dollar you spend, could be made with 100% pre-tax money~.

GUARANTEED FUTURE VALUE

The world of EVs may feel like uncharted territory. When you finance your vehicle with CUPRA Financial Services, you can enjoy the confidence of knowing its minimum future value at the end of your loan term. You can then choose to trade in, retain or return your vehicle - all thanks to our Guaranteed Future Value program#.

NOTES

+Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

^Range and energy consumption figures approved to ADR 81/02 derived from WLTP testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real-world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[3] The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

[4] Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.
